PROJECTS

Financial Manager

2025

Remix / React / TypeScript / MongoDB

A personal financial manager built with Remix and React. It allows users to manage expenses, income, transactions, and balances in a simple and organized way.

Git Search

2022

React / GitHub API

A GitHub search app that allows users to find repositories and developers through GitHub API integration.

[!\[\]\(291e070cef6c4d5e78fefe4696ef53be_img.jpg\) Source Code](#) [!\[\]\(5a6551557c623b42379c503783a5133a_img.jpg\)](#)

Developer Manager

2022

Angular / Node.js

A Developer Manager app created for a company assessment, demonstrating CRUD operations, data handling, and front-end/back-end integration.
